E te iwi, due to the Delta outbreak of the Covid-19 pandemic and concerns for the welfare of our kaumātua and community Te Rūnanga Nui o Te Aupōuri has moved its Annual General Meeting to an online webinar.

Te Tai Tokerau is currently in Alert Level 2 and has 38 active cases of COVID-19 in the Northland District Health Board region, with the Delta strain, unfortunately, making its way to Te Hiku o te Ika.

Therefore, I am inviting all registered iwi members of Te Aupōuri to join us via a Zoom Webinar to be held on December 4, 2021, from 9 am to 12 pm.

Attendees will require their Te Aupōuri iwi registration number that you would have used in our trustee election process to register for the event. [Register here.](#)

However, if you are unsure of your registration number, don't hesitate to get in touch with Te Rūnanga Nui o Te Aupōuri - info@teaupouri.iwi.nz

We look forward to sharing both the challenges over the past nine months as well as the positive outcomes we have achieved, which puts the Board and our iwi in a robust position and ensures a brighter tomorrow for future generations of Te Aupōuri.

Noho ora mai i te hauora, nā
